

## CAFÉ ABERDOON

At Aberdoon House on Wednesdays Nippy's café is open for morning tea to the public. The café is also open for special monthly events including light luncheons and High Tea. Participants enjoy learning food handling and preparation skills, table preparation, recipes and cooking styles, learning how to use the coffee machine, waiting on customers, serving food and beverages and cleaning up. Participants gain skills in independent daily living skills in cooking, increasing their communication and self-confidence in dealing with customers and working together as a team.
